Express mail certificate and return postcard.

2005, was actually mailed (i.e., delivered to the U.S. Post Office) on June 23, 2005, but due to a clerical error by a postal clerk, the envelope was not processed until the next day, June 24, 2005. Unfortunately, the clerk of the undersigned's office who mailed the envelope failed to receive a mailing receipt and also failed to make a log entry upon return to the undersigned's office. Hence, rather than petition to correct the date of mailing of the transmittal letter requesting national phase entry in the U.S. (due principally to a lack of evidence of such mailing on June 23, 2005), this petition to revive with fee is being provided. Accordingly, upon the grant of this petition, it is hereby requested that the application (connected to Express mail number EV324446541US -- accorded a filing date of June 24, 2005) be abandoned and that a credit of \$450 be made to deposit account No. 03-3415.

Revival of the above-referenced application pursuant to the provisions of 37 C.F.R. §1.137(b) is respectfully requested.

Respectfully submitted,

Mark Montague
